COVER STORY

The **9th edition** of Nonwoven Tech Asia, an exclusive international exhibition focusing on Nonwoven & Hygiene Technology, took place from **September 26th to 28th 2023**, at Pragati Maidan in Delhi, India. This event drew an impressive crowd of over 12,872 visitors from India and abroad.

The inauguration of the event featured a distinguished group of guests, including **Mr. Abhinav Kansal**, Managing Director of Rajshree Fabrics; **Mr. Anshumali Jain**, Managing Partner of Texbond Nonwoven; **Mr. Ramesh Kumar** from RS Polymer India; **Mr. P. C. Jain**, President of AMAN; and **Mr. Sanyal Desai**, CEO at Radeecal Communications, along with other dignitaries. Together, they marked the opening of the 9th Nonwoven Tech Asia event in Delhi.

This dynamic event centred around Nonwoven & Hygiene Technology provided an excellent opportunity for participants in various industries, including Nonwoven Medical and Hygiene, Nonwoven Converting, Filtration, Packaging, Agriculture, Hospitality, Printing, and Government Departments, as well as anyone interested in advancing their knowledge and expertise in Nonwoven technology. It was a significant step forward in the world of Nonwovens.

EXHIBITION OVERVIEW

9th Edition of Nonwoven Tech Asia presented itself as an excellent platform for Nonwoven & Hygiene Technology exhibitors to display their products, innovation and services for develop leadership in market position on a global scale. Live demonstrations were the big attraction right from day one, giving visitors an opportunity to experience latest technology and materials first hand. The event was open for three days and the exposure with the visitors from entire India & Abroad visiting the exhibition had empowered the Nonwoven & Hygiene Technology.

Now more than ever, the world is looking at #India as the main growth engine, and representing A.Celli Nonwovens at the Nonwoven Tech Asia 2023 exhibition was a genuine pleasure.

Sharing information, knowledge and passion is pivotal to the growth of our relationship, and for this reason why we at A.Celli always care to stand alongside our customers and support mutual growth.

A special thanks goes to our partner, Reifenhäuser India Marketing Private Limited for sponsoring our vision and help promote our technologies in the Indian market.
